Development
Workshop
February 2, 2011

★ The Background

The conference builds on the strengths of its first two conferences in 2007 and 2009 and will again bring together leading scholars from USA, Europe & Asia to systematically explore the nature, determination, and implications of the spiritual dimensions of organizational leadership. The conference strives to bring together different perspectives, disciplines and spiritual traditions.

The 3rd ISOL Conference aspires to bring forth the wisdom traditions across different faith traditions and discuss the mechanisms to create a morally healthy business environment for sustainable individual, social and economic growth.

★ Who Should Participate

The conference is aimed at an exchange of ideas and concepts among a broader group including:

- Academicians
- Business Leaders
- Representatives from Business Associations
- Representatives from Civil Society
- Representatives from Religious organizations

★ The Mode of Presentation

There are opportunities for holding symposiums as well as doing individual oral presentations. (The submission guidelines are available on our website - www.isolindia.org)
The Co-author should register in case presenting along with author.
